Dear Mr. Fitzpatrick,

Yamaha Motor Corp., U.S.A. is pleased to inform you that the Colorado Backcountry Trailriders Association application for an Access Initiative GRANT has been approved for the Basalt to Gypsum Trail project in the amount of \$3,180.

As you know, the Yamaha OHV Access Initiative combines the strength of Yamaha's national dealer network and customers to create a unified force supporting safe, responsible riding and sustainable, open riding areas. We are excited about the CBTRA's work to support the OHV opportunities on the USFS White River and are happy to contribute to the club's success.

Please find the enclosed materials that make up our Welcome Packet which include templates for providing status reports on the Colorado Backcountry Trailriders Association's efforts as well as tools for helping to communicate your award and project success to your community. Specifically, the Access Initiative Welcome Packet includes:

Reporting Templates\*

- Responsible Rider Check List
- Project status report template

*\*Each GRANT recipient is required to provide status reports showing progress and results from your GRANT application.*

Project/GRANT Marketing Materials

- Marketing guidelines (promotional and event concepts)
- Press release template announcing GRANT
- Media alert/event notification template
- Letter to elected officials announcing GRANT
- Calendar alert template

Congratulations on your Yamaha OHV Access initiative GRANT. We wish you great success in your project and look forward to learning about your efforts in supporting safe, responsible riding and open, sustainable riding areas. If you have any questions, or we can be of any assistance in implementing your GRANT, please contact Lisa Spicer at 877-OHV-TRAIL.

Best regards,

The Yamaha OHV Access Initiative GRANT Review Committee
